Procurement Requisition System User Manual

Navigating the Procurement Application (Procurement Unit)

1 Type the following link on a new Tab in your Browser "<http://10.123.10.112:7575/>"

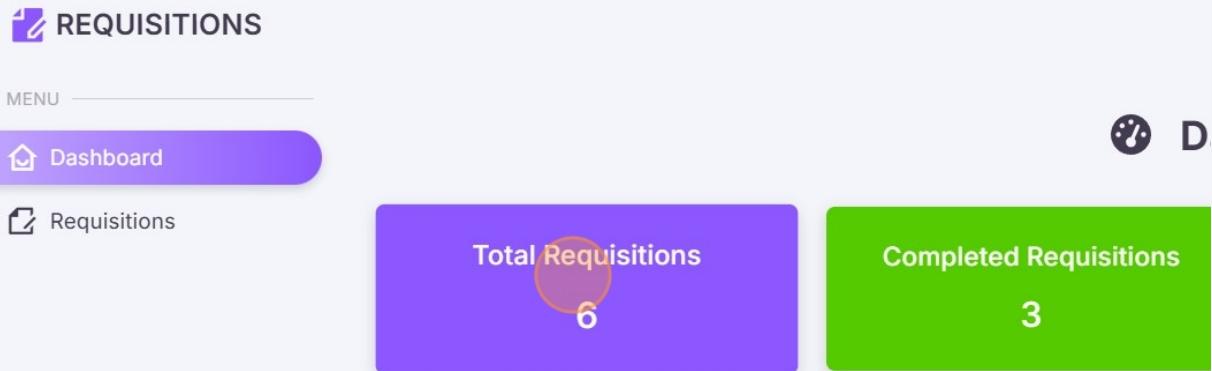

2 Type your PC user login name e.g."parbatie.boochoon" and your PC login password

The image shows a login interface for the "Procurement Requisitions System". At the top, there is a purple header bar with the system's name. Below it is a white form area. On the left side of the form, there is a purple square icon containing a white checkmark and the text "Procurement Requisitions System". To the right of the icon, the text "Procurement Requisitions System" is written in a dark font. Below the icon, there are two input fields: a "Username" field containing the text "parbatie.boochoon" and a "Password" field which has several dots in it, indicating a masked password. At the bottom of the form is a large purple rectangular button with the word "Login" in white.

3 Click on "Login"

4 User taken to the Procurement Dashboard. This dashboard shows the following:
Total Requisitions, Completed Requisition, In Progress Requisitions and Average Completion Time in days

- 5 Click "In Progress" to view a listing of all Requisitions in progress

The screenshot shows a user interface for managing requisitions. At the top right is a profile picture of Parbatie Boochoon. Below the header is a purple button labeled "+ Create Requisition". Underneath is a navigation bar with three tabs: "All", "In Progress" (which is highlighted with a red oval), and "Completed". A search bar labeled "Search:" is positioned below the tabs. The main area displays a table with two rows of requisition data. The columns are "ASSIGNED TO", "STATUS", and "ACTIONS". The first row shows "Kevin Badal" assigned to "To Be Sent to MoF" and has a "View" button. The second row shows "Aviann Boodoo" assigned to "Approved by PS" and also has a "View" button.

ASSIGNED TO	STATUS	ACTIONS
Kevin Badal	To Be Sent to MoF	<button>View</button>
Aviann Boodoo	Approved by PS	<button>View</button>

- 6 Click on "Completed" to view a listing of all completed Requisitions

This screenshot is identical to the previous one, showing the same user interface and data. The "Completed" tab is now highlighted with a red oval. The table below shows the same two rows of requisition data: Kevin Badal (status: To Be Sent to MoF) and Aviann Boodoo (status: Approved by PS), each with a "View" button.

ASSIGNED TO	STATUS	ACTIONS
Kevin Badal	To Be Sent to MoF	<button>View</button>
Aviann Boodoo	Approved by PS	<button>View</button>

- 7 Click "All" to return to listing with all Requisitions

The screenshot shows a user interface for managing requisitions. At the top right is a user profile for 'Parbatie Boochoon'. Below the header is a purple button labeled '+ Create Requisition'. To the right of the button is a filter section with three tabs: 'All' (highlighted in orange), 'In Progress', and 'Completed'. Below the filter is a search bar labeled 'Search:' with an empty input field. The main area displays a table with four columns: 'ASSIGNED TO', 'STATUS', and 'ACTIONS'. The first row shows 'Starariat' assigned to 'Aviann Boodoo' with a 'Completed' status and a 'View' button. The second row shows 'Training Facility' assigned to 'Aviann Boodoo' with a 'Completed' status and a 'View' button.

ASSIGNED TO	STATUS	ACTIONS
Starariat	Completed	<button>View</button>
Training Facility	Completed	<button>View</button>

- 8 To search for a record use the "Search" field. User can search by any of the following: Requisition #, Requesting Unit, Assigned To, Status OR Vote #

This screenshot shows the same 'Requisitions' page as the previous one, but with a focus on the search functionality. The search bar at the top right is highlighted with a red oval. The rest of the interface, including the table below, is identical to the previous screenshot.

ASSIGNED TO	STATUS	ACTIONS
Kevin Badal	To Be Sent to MoF	<button>View</button>
Aviann Boodoo	Approved by PS	<button>View</button>
Starariat	Completed	<button>View</button>

- 9** Example of a search using Requisition # in this instance the requisition # "978" typed in the search field

- 10** Click "View" next to the record which needs to be viewed

The screenshot shows a web-based application for managing requisitions. At the top left is a purple button labeled "+ Create Requisition". To its right are three filter buttons: "All", "In Progress", and "Completed". Below these is a search bar containing the number "978". The main area displays a table with the following columns: "ASSIGNED TO", "STATUS", and "ACTIONS". There is one visible row for "Parbatie Boochoon" with a status of "To be sent to Procurement". The "ACTIONS" column contains a blue button labeled "View", which is circled in orange to indicate it is the target of the click. At the bottom of the table are navigation icons: double arrows, single arrows, and a page number "1".

- 11** Clicking on "Back" returns the User to the previous page

The screenshot shows a user interface for managing requisitions. At the top left is a purple header with the text 'REQUISITIONS'. Below it is a navigation bar with 'MENU' and two items: 'Dashboard' and 'Requisitions'. The 'Requisitions' item is highlighted with a purple background. In the center, there's a large button labeled 'Back' with a circular arrow icon. To the right of the 'Back' button are two menu items: '① Procurement' and '② Cost & Budgeting', separated by a horizontal line. Below these items, there are three text fields: 'Date Request Sent to Ministry of Finance: May 11th, 2022', 'Release Number: 480', and 'Change of Vote Number: 767'. The entire interface is set against a light gray background.

- 12** Clicking on "Create Requisition" will take you to the to create a new Requisition page

The screenshot shows a list of requisitions. At the top center is a title '→ Requisitions'. Below it is a purple button with a plus sign and the text 'Create Requisition', which is highlighted with a circular orange overlay. To the right of the button are two filter buttons: 'All' and 'In Progress'. Further right is a search bar with the placeholder 'Search:'. Below these controls is a table with three columns: 'REQUESTING UNIT', 'ASSIGNED TO', and 'STATUS'. The first row shows 'Legal Services' assigned to 'Kevin Badal' with a status of 'To Be Sent to MoF'. The second row shows 'CT' assigned to 'Aviann Boodoo' with a status of 'Approved by PS'. The table has a light gray background and white text for the column headers and row data.

Creating a New Requisition (Procurement Unit)

This is completed only when the Procurement Unit has received a Requisition from MoH Departments for the purchase of goods & services from a vendor

- 15** Click on "Create Requisition"

Parba

The screenshot shows a user interface for managing requisitions. At the top center is a title 'Requisitions' with a document icon. Below it is a purple button labeled '+ Create Requisition' with a white circle containing a plus sign. To the right of the button are two filter tabs: 'All' (selected) and 'In Progress'. Below the button is a search bar with the placeholder 'Search:' and a small input field. The main area contains a table with three rows. The columns are labeled 'QUESTING UNIT', 'ASSIGNED TO', and 'STATUS'. The first row shows 'gal Services' under 'QUESTING UNIT' and 'Kevin Badal' under 'ASSIGNED TO'. The 'STATUS' cell contains a yellow button with the text 'To Be Sent to MoF'. The second and third rows are partially visible, showing 'Aviann Boodoo' assigned to them and yellow 'Approved by PS' buttons in the STATUS column. Each row has a small purple circular icon with a white checkmark at the far right.

QUESTING UNIT	ASSIGNED TO	STATUS	AC
gal Services	Kevin Badal	To Be Sent to MoF	
	Aviann Boodoo	Approved by PS	

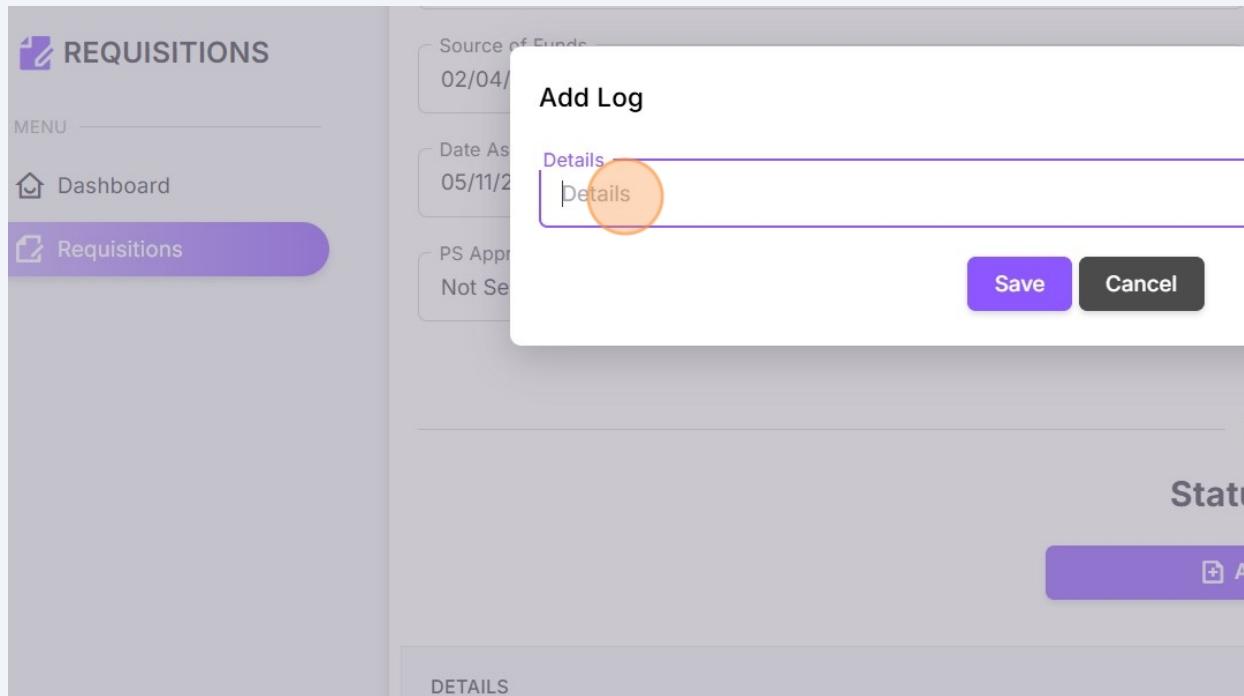

- 16** Complete the fields with the relevant data

The screenshot shows a mobile application interface for creating requisitions. At the top, there's a purple header bar with a back arrow and the text "REQUISITIONS". Below this is a white navigation bar with "MENU" and two items: "Dashboard" and "Requisitions", where "Requisitions" is highlighted with a purple background. The main content area has a light gray background. It includes a "Back" button at the top left, a "Create" button at the top right, and several input fields: "Requisition Number" (which is circled in orange), "File Number / Form", "Source of Funds", "Date Assigned to Officer" (with a date input field "dd/mm/yyyy"), and "PS Approval".

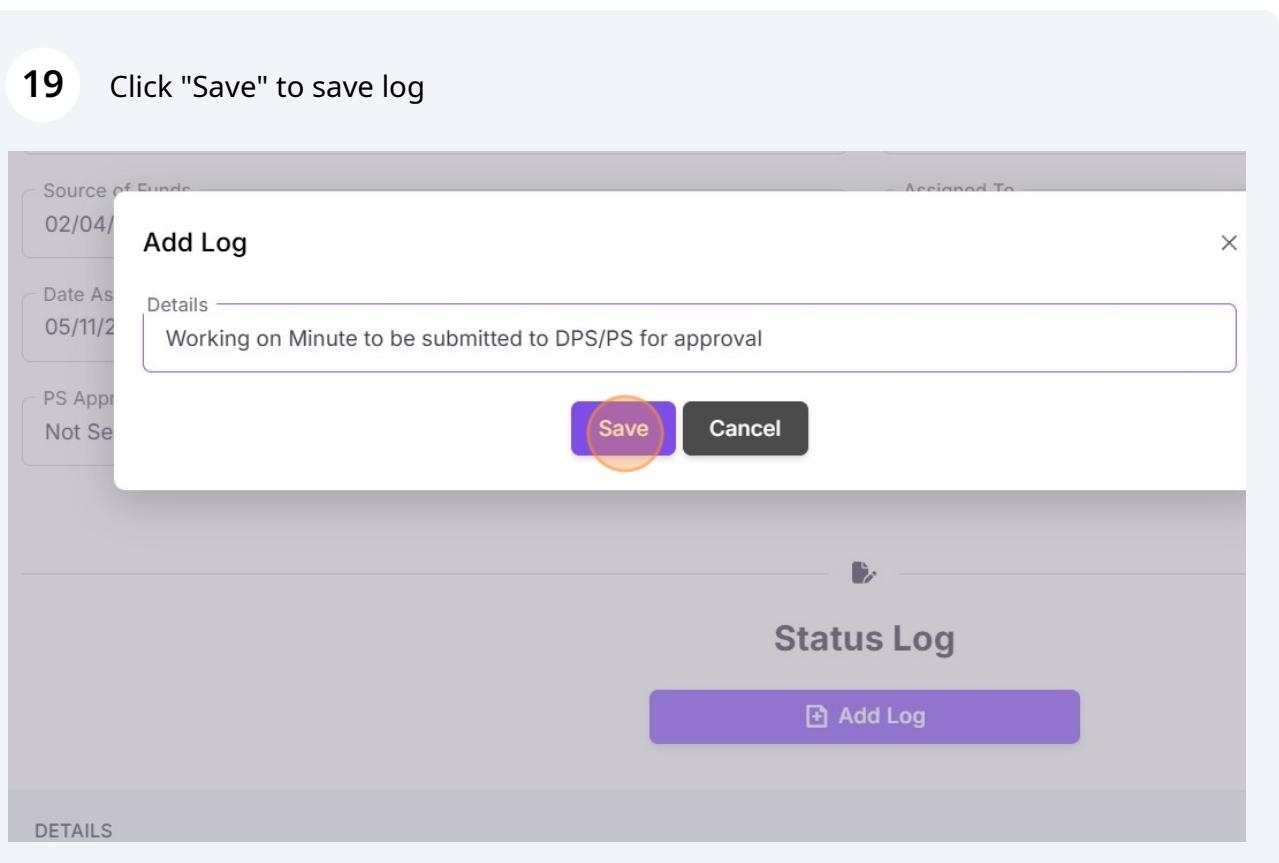

- 17** Click on "Add Log" in the Status Log section if a log required to be entered

The screenshot shows a "Status Log" section. At the top, there's a dropdown menu with a downward arrow icon. Below it is a small camera icon. The main title is "Status Log". A prominent purple button with a plus sign and the text "Add Log" is centered. Below this, a message says "No logs added". At the bottom, there's another camera icon.

- 18** Type the log "Details" e.g. "Working on Minute to be submitted to DPS/PS for approval"

- 19** Click "Save" to save log

- 20** Click "Choose files" in the File Uploads section if a file needs to be uploaded to the record

The screenshot shows a software interface with a purple header bar containing a 'Add Log' button. Below the header is a text input field with placeholder text 'AILS'. Underneath the text input is a section titled 'File Uploads'. This section includes a 'Choose Files' button, which is highlighted with an orange circle, and a text field showing 'No file chosen'. At the bottom of the 'File Uploads' section is a 'Save' button.

- 21** Select file for upload and Click "Save"

The screenshot shows the same software interface as the previous step. The 'Choose Files' button has been clicked, and a file named '28_10_2024_Pur...ss_Mapping.pdf' is selected. The 'Save' button is highlighted with an orange circle.

Editing a Record (Procurement Unit)

- 22** To search for a record use the "Search" field. User can search by any of the following: Requisition #, Requesting Unit, Assigned To, Status OR Vote #

The screenshot shows a user interface for managing requisitions. At the top left is a logo with a square icon containing a stylized arrow and the word 'Requisitions'. Below it is a purple button labeled '+ Create Requisition'. To the right are three filter buttons: 'All' (selected), 'In Progress', and 'Completed'. A search bar is labeled 'Search:' with a placeholder '(optional)' and a magnifying glass icon, which is also circled in red.

	ASSIGNED TO	STATUS	ACTIONS
	Aviann Boodoo	To be Sent to DPS	<button>View</button>
	Kevin Badal	To Be Sent to MoF	<button>View</button>
	Aviann Boodoo	Approved by PS	<button>View</button>

- 23** Click "View" located next to the record which requires editing

This screenshot shows the same 'Requisitions' page after applying a search query. The search bar now contains the number '777'. The 'View' button for the row where 'Status' is 'To be Sent to DPS' is circled in red.

	ASSIGNED TO	STATUS	ACTIONS
	Aviann Boodoo	To be Sent to DPS	<button>View</button>
	Kevin Badal	To Be Sent to MoF	<button>View</button>

At the bottom, there is a navigation bar with icons for '«', '<', '1', '>', and '»'.

33

To search for a record use the "Search" field. User can search by any of the following: Requisition #, Requesting Unit, Assigned To, Status OR Vote #

The screenshot shows a user interface for managing requisitions. At the top left is a purple button labeled "+ Create Requisition". Above the main table are three filter buttons: "All", "In Progress", and "Completed". Below them is a search bar with the placeholder "Search:" and a magnifying glass icon, which is circled in red. The main area contains a table with columns: "ASSIGNED TO", "STATUS", and "ACTIONS". The table has three rows:

ASSIGNED TO	STATUS	ACTIONS
Aviann Boodoo	To Be Sent to MoF	<button>View</button>
Aviann Boodoo	Sent to Vote Control	<button>View</button>
Kevin Badal	Received from Cost & Budgeting	<button>View</button>

34

Click "View" located next to the the record to be edited with the Status **Received from Cost & Budgeting** as seen below to open the record

The screenshot shows the same user interface as the previous one, but with a different focus. The "View" button for the third row (Kevin Badal) is circled in red. The table data remains the same:

ASSIGNED TO	STATUS	ACTIONS
Aviann Boodoo	Sent to Vote Control	<button>View</button>
Kevin Badal	Received from Cost & Budgeting	<button>View</button>

At the bottom right of the table, there is a page navigation area showing the number "1" inside a box, indicating the current page.

35 Click on "Edit"

The screenshot shows a purchase order detail page with the number 777888 at the top. Below it, there are four tabs: 1. Department, 2. Cost & Budgeting, 3. Procurement (which is selected), and 4. Vote. In the center, there is a large orange 'Edit' button. To its left is a 'Number:' field containing '777888'. To its right is an 'ETA:' field. Below these are 'Commit:' and 'Invoice Number:' fields. At the bottom left is a 'Received in the Department:' field, and at the bottom right is a 'Date Sent to AP:' field. A green button labeled 'Send To Vote Control' is located at the bottom center.

36 Enter the relevant Purchase Order details.

The screenshot shows a purchase order creation form. On the left, a sidebar menu includes 'Dashboard' and 'Requisitions' (which is highlighted with a purple bar). The main form has a 'Back' button at the top. It includes tabs for 1. Procurement (selected) and 2. Cost & Budgeting. The form fields include 'Purchase Order Number' (with '777888' entered), 'Date Sent to Commit' (with 'dd/mm/yyyy' placeholder), and 'Date of Invoice Received in the Department' (with 'dd/mm/yyyy' placeholder). A purple 'Save' button is at the bottom right.

- 58** Click "View" located next to the record to view record details

The screenshot shows a table titled "Requisitions" with columns: ITEM, DATE RECEIVED, STATUS, and ACTIONS. There are two rows of data:

ITEM	DATE RECEIVED	STATUS	ACTIONS
Digital Signature Pads	05/11/2024	To Be Sent to MoF	<button>View</button>
Law Books	04/11/2024	To Be Sent to MoF	<button>View</button>

A purple circle highlights the "View" button in the first row. Below the table, there is a page navigation bar with icons for back, forward, and search.

- 59** Clicking on "Back" returns the User to the previous page.

The screenshot shows a "REQUISITIONS" page with a sidebar menu and a main content area. The sidebar includes links for Dashboard, Requisitions, and Requisitions (selected). The main content area displays a record with the following details:

- Date Received: November 5th 2024, 05:42 PM
- Date Request Sent to Ministry of Finance: dd/mm/yyyy
- Release Number
- Change of Vote Number

A purple circle highlights the "Back" button in the top right corner of the content area.

60 Clicking on "Dashboard" will return the User to the Dashboard

The screenshot shows a mobile application interface for managing requisitions. On the left, there's a navigation menu with 'Dashboard' (highlighted with a yellow circle), 'Requisitions' (highlighted with a purple bar), and other options like 'Cost & Budgeting'. The main content area displays a requisition detail screen. It includes a back button, a date received (November 4th 2024, 10:20 PM), a date sent to MoF (November 3rd, 2024), a release number (36 of 2024), and a change of vote number section. There are 'Edit' and 'Green Plus' buttons at the bottom right.

61 Click "Logout" to log out from system

The screenshot shows the same mobile application interface as above. At the top, it shows a user profile for 'Parbatie Boochoon'. Below the profile, there's a 'Logout' button (highlighted with a yellow circle) and tabs for 'All', 'In Progress', and 'Completed'. A search bar is also present. The main part of the screen is a table listing requisitions:

IT	ITEM	DATE RECEIVED	STATUS	ACTIONS
ol Unit	Tobacco Signs	05/11/2024	To Be Sent to MoF	<button>View</button>
	Digital Signature Pads	05/11/2024	Completed	<button>View</button>

70

Click "Send" to send to Procurement upon updating system with Ministry of Finance Release of funding

The screenshot shows a software interface for managing requisitions. At the top, there is a header with a logo and the number '777'. Below the header, the date 'November 5th 2024, 05:42 PM' is displayed. The main area contains several fields: 'Ministry of Finance: November 5th, 2024', 'Request Number: 10 of 2024', '024', 'Release Date: November 5th, 2024', and '03/04/01'. At the bottom of the form, there are two buttons: a dark grey 'Edit' button and a green 'Send To Procurement' button, which is circled in red to indicate it is the target of Step 21.

71

An Automated system generated email is sent to Procurement notifying of MoH receipt of funding from Ministry of Finance. User is returned to Home page

The screenshot shows a user profile at the top right with the name "Parbatie Boochoon". Below it is a section titled "Requisitions" with a subtitle "→ Requisitions". There are three tabs at the top: "All", "In Progress", and "Completed". A search bar labeled "Search:" is present. The main area is a table with columns: ITEM, DATE RECEIVED, STATUS, and ACTIONS. The table contains three rows:

ITEM	DATE RECEIVED	STATUS	ACTIONS
Digital Signature Pads	05/11/2024	Completed	<button>View</button>
Law Books	04/11/2024	To Be Sent to MoF	<button>View</button>
iat 343	30/10/2024	Completed	<button>View</button>

72

Click "Logout" to exit system

The screenshot shows the same user profile and "Requisitions" section as the previous one. A red circle highlights the "Logout" button in the top right corner of the user menu. The rest of the interface is identical to the first screenshot.

Procurement Requisition System User Manual (Vote Control)

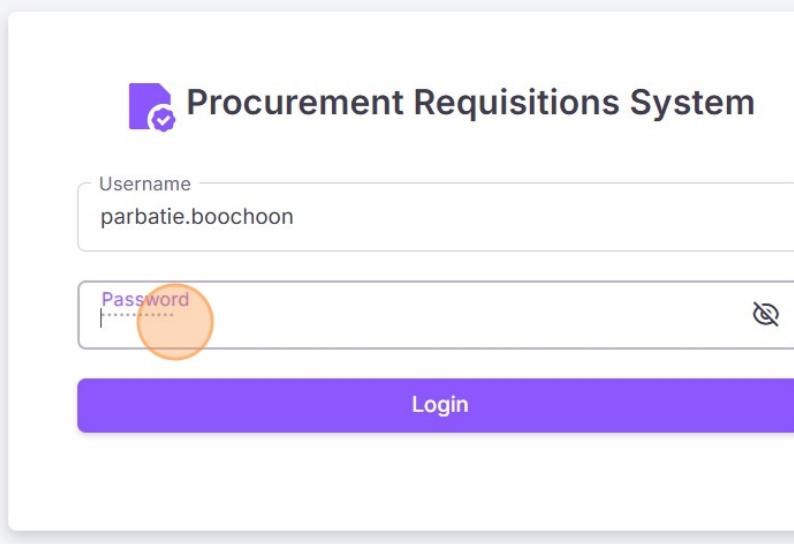

Navigating the Procurement Application (Vote Control)

73

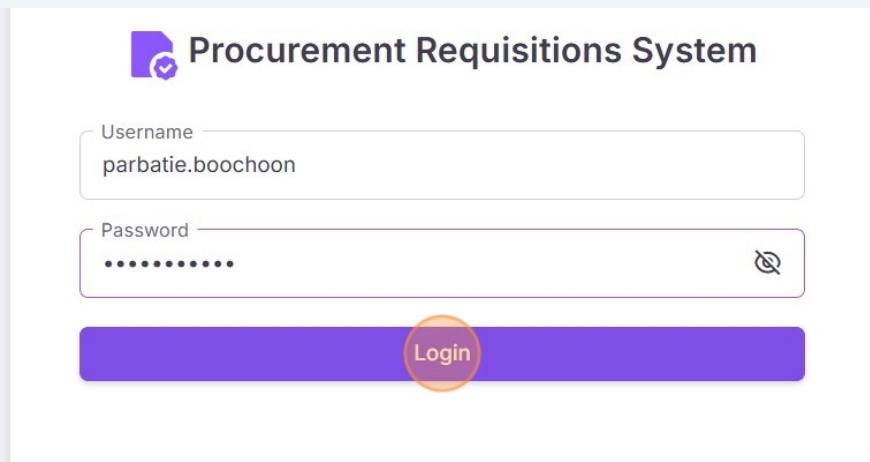

Type the following link on a new Tab in your Browser
<http://10.123.10.112:7575/login>

74

Type your PC user name e.g."parbatie.boochoon" and your PC login password in the "Password" field.

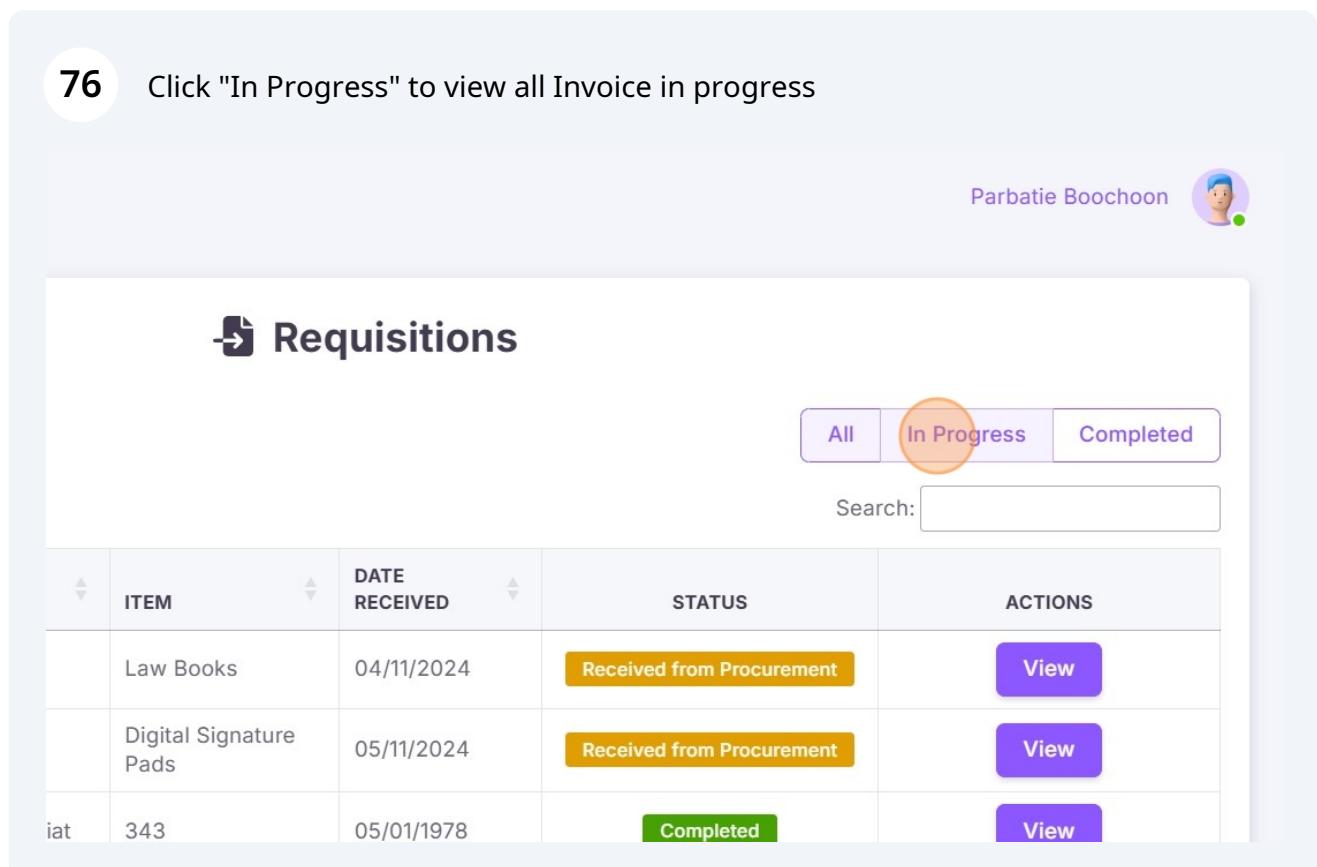

75 Click "Login"

The image shows the Procurement Requisitions System login interface. It features a logo with a blue square containing a white checkmark and the text "Procurement Requisitions System". Below the logo are two input fields: "Username" with the value "parbatie.boochoon" and "Password" with several dots indicating the password. A large purple "Login" button is centered below the fields, with a yellow circular highlight around it.

76 Click "In Progress" to view all Invoice in progress

The image shows the "Requisitions" screen. At the top, there is a navigation bar with three tabs: "All", "In Progress" (which is highlighted with a pink circle), and "Completed". Below the navigation bar is a search bar labeled "Search:" with an empty input field. The main area contains a table with the following data:

ITEM	DATE RECEIVED	STATUS	ACTIONS
Law Books	04/11/2024	Received from Procurement	<button>View</button>
Digital Signature Pads	05/11/2024	Received from Procurement	<button>View</button>
iat 343	05/01/1978	Completed	<button>View</button>

77 Click "Completed" to view all Invoices Completed

81 Clicking "Back" will return the User to the Dashboard

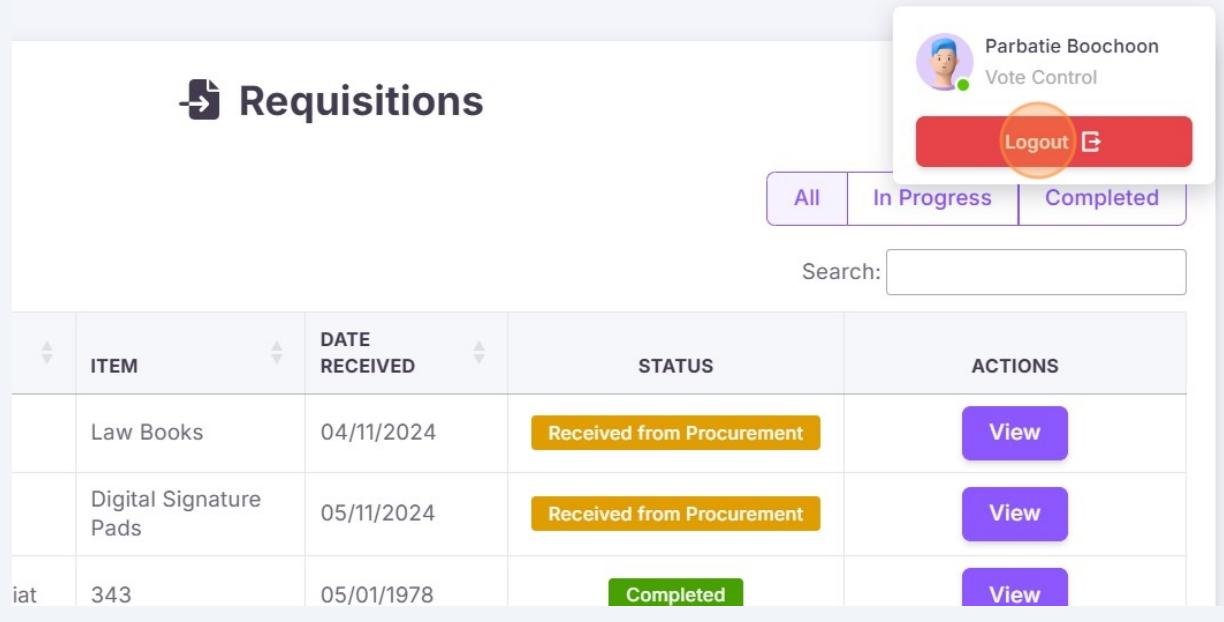

The screenshot shows a mobile application interface. At the top left is a purple circular icon with a white minus sign. To its right is the word "REQUISITIONS". Below this is a navigation bar with "MENU" and two items: "Dashboard" and "Requisitions". Under "MENU" is "VOTE CONTROL" with the same "Requisitions" item. A large central modal window is open. It has a purple header bar with a white "Back" button containing a circular arrow icon. Below the header are three input fields: "Batch Number", "Date Payment Voucher sent to Check Room dd/mm/yyyy", and "Cheque Number". The background of the app shows a light gray header with "Parbatie Boochoon" and a profile picture.

82 Dashboard

The screenshot shows a dashboard titled "Requisitions". At the top right is a user profile picture of a person with the name "Parbatie Boochoon" next to it. Below the title is a search bar labeled "Search:" followed by three filter buttons: "All", "In Progress", and "Completed". A table below lists items with their details and status. The columns are "ITEM", "DATE RECEIVED", "STATUS", and "ACTIONS". The first row shows "Law Books" received on "04/11/2024" with status "Received from Procurement" and a "View" button. The second row shows "Digital Signature Pads" received on "05/11/2024" with status "Received from Procurement" and a "View" button. The third row shows "iat 343" received on "05/01/1978" with status "Completed" and a "View" button.

ITEM	DATE RECEIVED	STATUS	ACTIONS
Law Books	04/11/2024	Received from Procurement	<button>View</button>
Digital Signature Pads	05/11/2024	Received from Procurement	<button>View</button>
iat 343	05/01/1978	Completed	<button>View</button>

83 Clicking "Logout" will exit the application

The screenshot shows a user interface for a requisitions application. At the top right, there is a user profile for "Parbatie Boochoon" with a small profile picture. Below the profile, the text "Parbatie Boochoon" and "Vote Control" is displayed. A prominent red button labeled "Logout" is highlighted with a yellow circle, indicating it is the target for step 83. Below the profile, there are three tabs: "All", "In Progress", and "Completed". A search bar labeled "Search:" is present. The main area displays a table with three rows of requisition data:

ITEM	DATE RECEIVED	STATUS	ACTIONS
Law Books	04/11/2024	Received from Procurement	<button>View</button>
Digital Signature Pads	05/11/2024	Received from Procurement	<button>View</button>
iat 343	05/01/1978	Completed	<button>View</button>

Data Capture Purchase Order/Invoice (Vote Control)

(i) These steps are to be completed only upon the receipt of a system generated email from Procurement with the completed Purchase Order/Invoice data and receipt of the physical Invoice
